---

## Jorge Vicente Cantero <sup>[1]</sup>

### Biography:

Jorge Vicente Cantero is a third-year student (Bachelor of Computer Science) at Universitat Jaume I. He has special interest in reactive scalable systems (Scala + Akka, Erlang), functional programming, compilers, cryptography and artificial intelligence. During his stay at CERN, he has been working in a real-time notification system for the Invenio team. He enjoys a lot his personal research in the aforementioned topics, as well as to contribute to the open source community.
