Megha Arora ^[1]

Biography:

Megha Arora is a final year Computer Science undergrad from IIIT-Delhi (India). She has been an amateur astronomer and an astrophysics enthusiast for 9 years now. She is heading to CMU to pursue her interest in Big-Data and Analytics this fall. Megha is also the co-founder and vice-president of Find A Way, a not-for-profit initiative. As an openlab summer student at CERN, she will be working on a configuration management and monitoring toolkit for kinetic drive clusters.
